

Day 9 of 52 (September 14, 2021)

If you have read Chapter 3 you noticed all the names and the descriptions of the area of wall each group is rebuilding. If we are not careful it is easy to get bogged down in this part of the text, but do not miss what we can learn here. One, it is amazing what God can accomplish through His people working together. Two, every name listed is a name that God knows, and He knows your name as well. He knows every intricate detail of your life. Three, some people will not join in on the journey, but we need to keep our focus on the task (See Nehemiah 3:5).

Remember, if you are saved, you are a part of God's family. God has a plan for you in the amazing task of reaching the world with the Gospel. He knows your name, He knows your strengths, He knows your fears, and you can trust Him!

Next Steps:

- Pray for those who have forgotten how much God loves them and pray God would help us be a reminder of that love!
- I ask you to pray for the Revival meeting I am preaching in Diboll, TX. We had a lady saved Sunday night, and a girl saved Monday night. Praying for God to continue moving here as well.
- Ask God to move in amazing ways in the days ahead, and to do whatever it takes in your life to be ready for it!

If you have questions you want to ask or testimony you want to share, I would love to hear it. You can email me at tommy.k@elbchurch.org or text/call at 337 424 8407.

Have an amazing Tuesday,

Pastor Tommy
