

Packing List and Information Sheet

Campsite Location: Kisatchie Bayou Recreation Complex

Dates: 11-13 September 2019

*** Tent camping or RV's can be brought. Limited amount of spots for RV's

*** These are primitive camp sites. (No hook ups)

*** No water at this location. Water is located at the Lotus Camp site in Kisatchie. (We will have 5 Gallon water jugs of water for use)

*** Location does have a restroom.

Campsite is located on Kisatchie Creek. If you have fishing poles or Kayaks feel free to bring them. There are hiking trails in the area. If you plan on hiking I would recommend wearing a hunters orange vest or bright colored shirt. Please ensure if hiking you have the ability to carry plenty of water with you. If you have ATV's you can bring them but you are only authorized to ride them on the designated ATV trails. Camping cost is **two (2)** dollars per night. Bring cash as you have to leave it in a provided envelope and drop it in the box.

Bring enough drinking water and drinks to cover you for the weekend. Lunch meals and snacks are on the individual camper. We will cook breakfast and dinner while we are there. I will let everyone know how much those items cost and we can settle from there. We plan on having Chili the first night and hamburgers/hotdogs the second night.

We will have a first aid kit on site to take care of any minor injuries. If you are allergic to anything please ensure you bring the appropriate medication.

We will provide stoves, propane and items needed for cooking.
